

Statement of **DOMINIC CASERTA**, Candidate for  
**Member, Santa Clara City Council, Seat 5**

**Occupation:** Santa Clara Economics Teacher

**Age:** 39

**Education and Qualifications:**

Thank you! It was a privilege to serve as your Councilmember for eight years, making Santa Clara a great place to live. I helped balance eight consecutive budgets; remodel our senior center; fund parks, a creek trail, and the new Northside library; safeguard our low utility rates and clean-up campaign; and fully staff public safety.

As a fifth-generation Santa Claran, husband, graduate of Santa Clara University and the Citizens' Police Academy, Santa Clara Economics teacher and coach, homeowner and Councilmember, I have the values and experience to maintain our quality of life, moving Santa Clara forward. I will work tirelessly to improve our schools; ensure quality public safety, support senior and youth services; create new parks and open spaces; and protect our neighborhoods. I will balance our budget and keep Santa Clara fiscally sound while promoting job growth. I will continue to be ethical, transparent and responsive.

Please join Santa Clara's Firefighters, Police Officers, Nurses, Teachers, Business Owners, along with Congresswomen Eshoo and Lofgren, Senator Alquist, Sheriff Smith, former Police Chiefs Lodge and Kyle and Santa Clara Mayors Matthews, Fargher, Gillmor, Marsalli, Souza, and Mahan in supporting my candidacy. I would be honored to serve you again. Please visit [www.dominiccaserta.com](http://www.dominiccaserta.com).
